

USER MANUAL

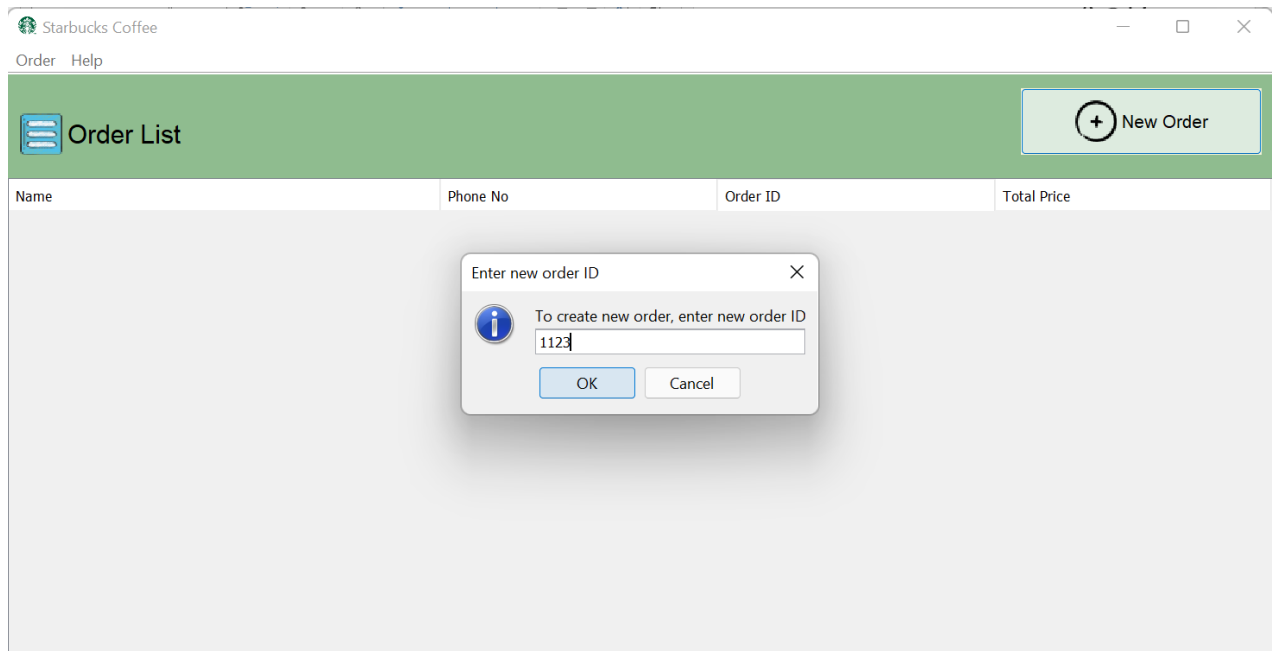

- 1. Open the Starbucks Coffee cashier system.

- 2. Click the +New Order button.

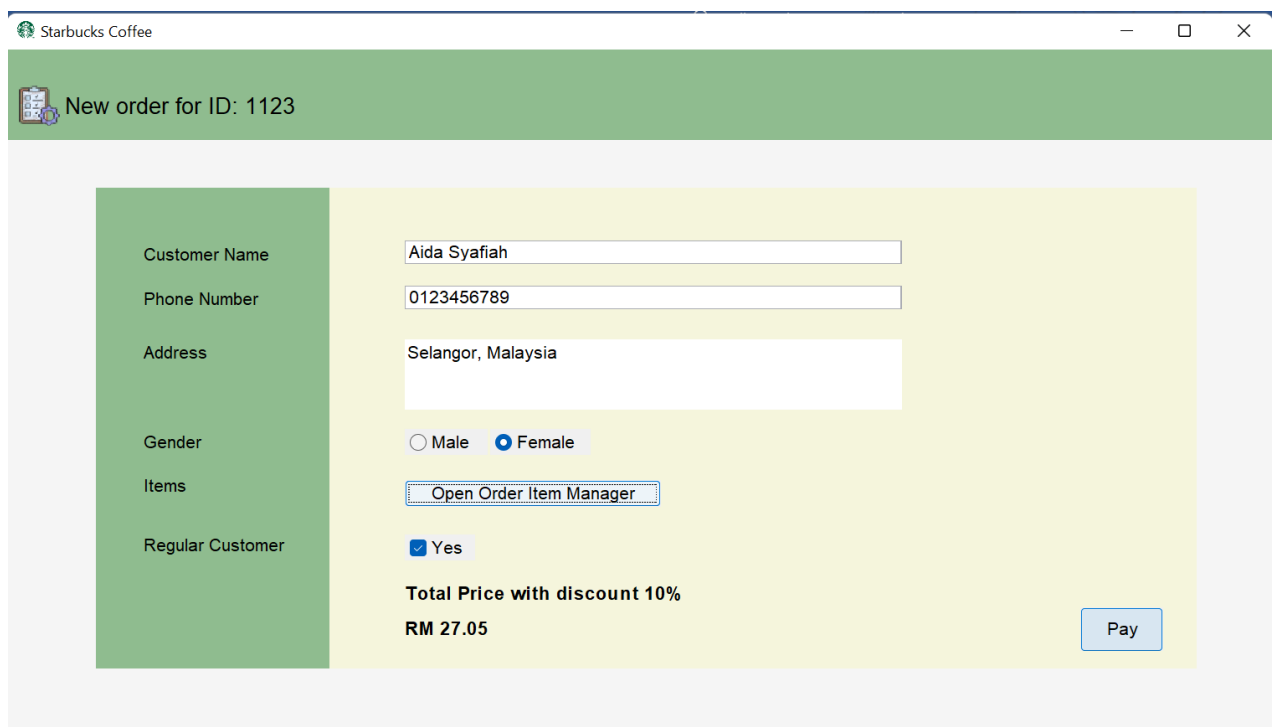

3. Enter a new order ID to create a new order for every new customer. The order ID must be a 4 digits number.

The screenshot shows the Starbucks Coffee application window. The title bar reads "Starbucks Coffee". Below the title bar, there is a menu bar with "Order" and "Help". The main header area is green and contains an "Order List" button on the left and a "New Order" button on the right. Below the header, there is a table with columns: "Name", "Phone No", "Order ID", and "Total Price". A modal dialog titled "Enter new order ID" is open in the center. It contains an information icon, the text "To create new order, enter new order ID", a text input field with "1123", and "OK" and "Cancel" buttons.

4. Next, fill in the customer information. For example, customer's name, customer's phone number, address, gender etc. In the same page, click the Open Order Item Manager to input the customer's order.

The screenshot shows the Starbucks Coffee application window. The title bar reads "Starbucks Coffee". Below the title bar, there is a menu bar with "Order" and "Help". The main header area is green and contains a "New order for ID: 1123" button. Below the header, there is a form with a green sidebar on the left and a yellow main area on the right. The sidebar contains labels: "Customer Name", "Phone Number", "Address", "Gender", "Items", and "Regular Customer". The main area contains input fields for "Customer Name" (Aida Syafiah), "Phone Number" (0123456789), and "Address" (Selangor, Malaysia). There are radio buttons for "Gender" (Male and Female, with Female selected). There is a button labeled "Open Order Item Manager". There is a checkbox for "Regular Customer" (Yes, selected). At the bottom, there is a summary: "Total Price with discount 10% RM 27.05" and a "Pay" button.

- When the user opens the 'Open Order Item Manager', select the customer's item in the 'Items' section. After that, the user can choose the quantity of the item. Then, click 'Add'.
